

To Whom it may concern,

ICON produces a high-quality Low Speed Vehicle, Golf Cart and Commercial Equipment. All of our street legal products are equipped with Four Wheel Disc Brakes, Headlamps, Brake lamps, Turn Signals, Seat Belts and DOT required features as needed by local code. We are a CARB compliant and certified product.

For specific uses, these vehicles are often used to move customer equipment and have a tow rating as follows: ● ICON Branded Products - 1,100 lbs ● EPIC Branded Products - 1,000 lbs ● ICON HD Branded Products - 1,500 lbs We look forward to partnering with your organization and helping our customers and yours move the product and people they need to!

Regards,

Sean Heatley COO
